RAM / NWWC Notice of Disclosure for E-Mail Practices & Privacy Policy

RAM / NWWC has created this policy to demonstrate our firm commitment to your privacy and the protection of your information.

Did you receive e-mail from RAM / NWWC?

Our e-mail marketing program is permission based. If you receive e-mail from us, our records indicate that you have expressly shared this address for the purpose of receiving information in the future ("opt-in"). We respect your time and attention by controlling the frequency of our mailings.

If, at any time, you believe you have received unwanted, unsolicited e-mail sent via our distribution system or purporting to be sent via our system, please forward a copy of that e-mail with your comments to rehabdocs.com for review.

Can you stop receiving e-mail?

Each e-mail sent contains an easy, automated way for you to cease receiving e-mail from the lists to which you are subscribed, or to change your expressed interests. If you wish to do this, simply follow the instructions to [unsubscribe](#) provided in every e-mail.

How we protect your privacy

We use security measures such as encryption to protect against the loss, misuse and alteration of data used by our system.

Sharing and Usage of Account Information

We will never share, sell, or rent your personal account information or subscriber data with anyone without your advance permission or unless ordered by a court of law. Information submitted to us is only available to employees managing this information for purposes of contacting you or sending you e-mails based on your request for information and to contracted service providers for purposes of providing services relating to our communications with you.

Privacy Policy Changes

If this privacy policy changes in the future, all account holders will be notified of the change at least ten (10) days before it occurs and have the option to terminate his or her account and thus have their data removed from the system. This policy was created in August 2013.
